Doe v. Delaware Valley High School Board of Ed. et als.
Civ. No. 3:24-cv-107 (GC)(JBD)
Our File No. 01195

Dear Judge Castner,

As Your Honor is aware, this firm represents the plaintiff herein. We are awaiting a determination as to our client's emergent application for a preliminary injunction which concerns the parental rights of our client with respect to the social transitioning of his minor child, who currently is not attending school in person due to what we claim to be a violation of our client's constitutional rights. We anxiously await a decision in light of the ongoing harm being caused.

In that regard, please see a letter from Hunterdon Pediatric Associates, dated October 3, 2024, recommending that Jane Doe continue in her current online instruction as an educational accommodation in light of the issues present in this case.

We thank Your Honor for consideration of this matter.

Respectfully yours,
